About HusCompagniet

HusCompagniet is a leading provider of single-family detached houses in Denmark. The company also builds semidetached houses to both private consumers and professional investors and has a presence in Sweden where it produces prefabricated wood-framed detached houses through its VårgårdaHus brand.

The Group operates an asset-light and flexible delivery model with on-site building, primarily on customer-owned land. The majority of construction is outsourced to sub-contractors, allowing for a flexible cost base. In 2020, HusCompagniet generated revenue of approximately DKK 3.6 billion.

HusCompagniet delivered 1,638 houses in 2020, of which 1,355 were detached houses in Denmark, corresponding to a market share of approximately 24% of the Danish detached-house new build market segment. HusCompagniet has 15 offices with showrooms and more than 60 show houses throughout Denmark, and also offers digital sales through the online platform “HusOnline”. HusCompagniet currently has more than 400 employees.
