Confirmed orders for another 43 units under framework agreement with Urban Partners

Real estate company Urban Partners has confirmed the orders of another 43 DGNB gold certified and Nordic Eco-labelled Semi-detached housing units in Tingbjerg in northwestern Copenhagen. The construction of the two and three-storey houses will be completed under the framework agreement in place between HusCompagniet and Urban Partners (then 'NREP'), cf. Investor news of 1 July 2022.

The collaboration aims at boosting the development and revitalisation of the Tingbjerg area, and Urban Partners has confirmed construction of a total of 201 housing units in the district within the framework agreement of constructing up to 404 Semi-detached housing units.

Building permit for the recently confirmed Semi-detached units has been obtained, and construction is expected to commence in Q3 2026 with handover expected from Q4 2027 to Q2 2028.

The framework order does not impact HusCompagniet's 2026 outlook.

About HusCompagniet

HusCompagniet is a leading provider of detached houses in Denmark and has a position in the market for semi-detached houses for private house owners and professional investors. The Group furthermore produces and sells prefabricated wood-framed houses in Sweden through its VårgårdaHus brand.

The Group operates an asset-light and flexible delivery model with on-site building, primarily on customer-owned land. Construction is outsourced to subcontractors, and visibility of the order book enables a flexible cost base.

HusCompagniet has showrooms and showhouses in Denmark and Sweden. The offering includes the high-end business unit FORMIUM for exclusive detached houses, and HusOnline, a digital online sales platform. MORROW is HusCompagniet's innovative and scalable semi-detached housing concept, offering wood constructions with a climate footprint significantly below legal requirement.

HusCompagniet currently has around 350 employees dedicated to maintaining the Group's industry-leading customer satisfaction level and co-creating the homes of tomorrow – today.
